## GREEK YOGURT RECIPE

### Cold Process

#### Ingredients:

- |        |                                  |
|--------|----------------------------------|
| 7.57L  | fat free milk                    |
| 907g   | greek yogurt                     |
| 2 bags | PreGel Greek Yogurt Super Sprint |

#### Directions:

1. Place milk in large mixing container, preferably twice as large as the amount you are mixing.
2. With an immersion blender, mix the milk and greek yogurt while slowly adding PreGel Greek Yogurt Super Sprint.
3. Add any PreGel Traditional Paste or PreGel Fortefrutto® to flavour (optional).
4. Transfer the liquid blend into the soft serve machine.
5. Follow the soft serve machine directions for final product production.
