BIODEGRADABLE CUPS & SPOONS

Our new biodegradable line is the result of the market's demand for sustainable serveware solutions. Featuring three sizes; small (100cc/3.38 oz.), medium (130cc/4.9 oz.) and large (170cc/5.75 oz.) these cups for gelato or soft serve biodegrade in 45 days under optimal conditions, and come in cream and light green colours. With an earthy green tint, PreGel also provides biodegradable spoons that are the perfect size for tasting new flavours.

PANINI GELATO

TO CREATE PANINI GELATO, YOU WILL NEED:

PreGel gelato or frozen yogurt flavour

Sweet Bun

PreGel Arabeschi® or Toppings

Panini Gelato Machine

PANINI GELATO is a new concept for frozen dessert businesses seeking a novel approach to desserts. Creamy scoops of gelato or frozen yogurt are neatly spooned onto a golden, sweet bun combined with a savoury or sweet Arabeschi® and/or topping, and then lightly pressed to perfection using a state-of-the-art machine to create Panini Gelato. Assembled on the spot, the bun takes the place of a cone, cup or cookie, and is served either sliced on a plate, or as a full sandwich served in a wrapper for a more on-the-go solution.
