Beverage & Dessert Solutions

Convenience and gourmet are two words that didn't coexist until recently. Today, it's a top trend in the convenience food and snack sectors. The top priorities for c-stores are 1) customized offerings; 2) going fresh; and 3) innovating with quality products. The challenge is finding products that are easy to implement with little overhead, that will make your business the first choice to stop (or shop)!

PreGel CANADA specializes in desserts ingredient solutions that offer fresh-made products in store that are easy to prepare and provide the highest quality finished desserts. From original coffee combinations and frozen desserts, to trendy desserts on-the-go, PreGel offers all the ingredients and equipment required to create gourmet desserts and frozen beverages in no time.

TOP Priorities for C-Stores

- 1) Customized offerings

CAFÉTTONE™ FRUITTONE™ YOGURTTONE™

DRINKABLE GOURMET DESSERTS

PreGel's Caféttone™, Fruittone™ and Yogurttone™ Frozen Dessert & Beverage Program provides convenience stores with the ability to make high-end frozen desserts and drinks in PreGel's affordable tabletop machine. From soft gelato to granitas, and unique coffee concoctions, our products and machine provide a variety of options to diversify your business in a simple and easy way. The shelf-stable powdered mixes to create the frozen dessert beverages called Tenerissimo™ only require the addition of milk or water. Simple and easy, this process allows for desserts fresh-made in-store.

TOP IT WITH CREATIVITY!

PreGel Toppings bring the final touch to desserts. Featuring multiple flavours such as Mou (Creamy Caramel), Strawberry and Cherry Bon (Sweet Cherry Pieces), each topping comes in a ready-to-use squeeze bottle. PreGel's Toppings provide customization to any dessert or drink and enhance the overall visual appeal while providing exceptional flavour. Swirl it, top it or layer it!

PANINI GELATO AS FAST AS 1,2,3

The latest buzz in on-the-go dessert solutions is Panini Gelato! Panini Gelato is an innovative concept where scoops of gelato, frozen yogurt, soft serve or ice cream are neatly spooned onto a sweet bun, combined with a topping, and then slightly pressed to perfection using PreGel's state-of-the-art Panini Gelato machine. Panini Gelato is made on the spot and served sliced on a plate or as a full sandwich. The concept is great for convenience stores that have frozen yogurt, soft serve, gelato, or an ice cream dipping cabinet.

PreGel provides customers with a variety of dessert options to diversify their business including **TOP-NOTCH INGREDIENTS, INNOVATIVE CONCEPTS AND A PLETHORA OF RECIPES.**
